CAMP WAHOO! - 2020 PROGRAM & REGISTRATION INFORMATION!!

| BRONC RIDERS - 12 & under |
|--|
| TOP HANDS - 12 (returning) & up |
| Campers are introduced to horsemanship with their own horse to care for and ride the entire week. They learn to handle groom, saddle, and control their horse while participating in trail rides in the Wenatchee National Forest. Outdoor camping/survival skills are developed and all of this is put to use on an overnight trail ride. Valuable leadership skills are also introduced to the TOP HANDS. These BASIC CAMPS are required to develop skills necessary to be successful as WRANGLERS & ADVENTURERS BRONCS/TOP HANDS. \$975.00 |
| WRANGLERS - 13 & up |
| The WRANGLER camp offers campers their own horse for the week and introduces them to leading the mules, cooking over campfires, and building survival kits. All of these skills are required for the 2-night overnight trail ride into the Nationa Forest. Leadership skills and independence are stressed. It is necessary to be properly equipped to participate in the 2-night overnight trail ride. Campers must have successfully completed the TOP HANDS program to gain the skills necessary to participate as a Wrangler. Prepares campers for the Adventurers and Leadership Program. WRANGLERS |
| ADVENTURERS - 14 & up First Time Adventurer - Must have completed Wrangler Highly Recommended for Wranglers, CIT's and Jr. Staff looking to advance in the Leadership & Staff Program |
| The ADVENTURER camp prepares your camper to go on to the popular CIT program. ADVENTURERS prepare and plan for their 3 1/2 day pack trip where they use maps and compasses, build survival kits, cook with dutch ovens, pack and lead the mule string and practice "minimum impact" camping. Campers must have completed WRANGLER camp or be participating as a CIT or Jr Staff. First time Adventurers will work out of a backcountry camp allowing them time to further develop their back country skills under the careful guidance of our experienced staff. Returning Adventurers will plan their back country adventure to fit the experience level of that group & will assume more personal responsibility toward the success of their back country adventure. Only 8 first-time Adventurers per group & 6 Returning Adventurers per group are accepted and will be required to have a special duffel bag and a properly equipped fanny pack or saddlebags. FOR SAFETY PURPOSES: ADVENTURERS must be properly equipped or they will not be able to participate in the pack trip \$1200.00 |
| COUNSELOR IN TRAINING - 14 & up |
| The Counselor in Training (CIT) camp is an intensive 6-day training session required of those wishing to return during the camping sessions. CIT's refresh horsemanship skills and demonstrate their leadership abilities during their week at camp. After demonstrating willingness, follow-through and working well with others, an evaluation of each candidate will be done preceding camp session assignments. Participation in this training does not assure you of a CIT position, but assisting in our kitchen will also be an option. A Camp t-shirt, properly equipped fanny packs or saddlebags are required for those working in a CIT role. There is a separate brochure and application for the CIT Program available on the website at www.campwahoo.com found in the camp registration section. |
| It is recommended that CIT candidates participate in our Adventurer Program. The Adventurer Program will enhance your child's ability to be successful in our leadership program. There are discounts for returning leadership and Participating in Adventurers. A wonderful opportunity! |
| CIT/Junior Staff (use Leadership Application!) |
| NOTE - A SPECIAL CIT & Jr. Staff APPLICATION is AVAILABLE in the registration area of the website. |

All CIT'S must obtain Food Handlers card before training session as outdoor cooking is part of our program.

Because the mountain and backcountry riding environment is so different from the usual riding conditions experienced by most younger riders, occasionally a child signed up in the Wrangler or Adventurer programs may opt for a less challenging Wahoo Program. There are also occasions when the staff determines that either a child's riding skills, stamina, or health or equipment are not ready for the extended challenges involved with the trips Wranglers or Adventurers take. When this happens, we do our best to make the alternative as close to the original choice as child, equipment and staff can possibly produce. Thank you for taking the time to give this information about your child. Remember, if you have questions, please call or E-MAIL!
