CAMP WAHOO! - 2021 PROGRAM & REGISTRATION INFORMATION!!

BRONC RIDERS – 8-11 Years
TOP HANDS – 12 Years & up

Campers are introduced to horsemanship with their own horse to care for and ride the entire week. They learn to handle, groom, saddle, and control their horse while participating in trail rides in the Wenatchee National Forest. Outdoor camping/survival skills are developed and all of this is put to use on an overnight trail ride. Valuable leadership skills are also introduced to the TOP HANDS. These **BASIC CAMPS** are required to develop skills necessary to be successful as WRANGLERS & ADVENTURERS

BRONCS/TOP HANDS. **$1225**

WRANGLERS - 13 & up

The WRANGLER camp offers campers their own horse for the week and introduces them to leading the mules, cooking over campfires, and building survival kits. All of these skills are required for the 2-night overnight trail ride into the National Forest. Leadership skills and independence are stressed. It is necessary to be properly equipped to participate in the 2-night overnight trail ride. Campers must have successfully completed the TOP HANDS program to gain the skills necessary to participate as a Wrangler. Prepares campers for the Adventurers and Leadership Program.

WRANGLERS. **$1345**

ADVENTURERS - 14 & up

First Time Adventurer - Must have completed Wrangler
Highly Recommended for Wranglers, CIT's and Jr. Staff looking to advance in the Leadership & Staff Program

The ADVENTURER camp prepares your camper to go on to the popular CIT program. ADVENTURERS prepare and plan for their 3 1/2 day pack trip where they use maps and compasses, build survival kits, cook with dutch ovens, pack and lead the mule string and practice "minimum impact" camping. Campers must have completed WRANGLER camp or be participating as a CIT or Jr. Staff. First time Adventurers will work out of a backcountry camp allowing them time to further develop their back country skills under the careful guidance of our experienced staff. Returning Adventurers will plan their back country adventure to fit the experience level of that group & will assume more personal responsibility toward the success of their back country adventure. **FOR SAFETY PURPOSES: ADVENTURERS *must be properly equipped or they will not be able to participate in the pack trip.***

Adventurers. **$1500**

COUNSELOR IN TRAINING – 14 & up

The Counselor in Training (CIT) camp is an intensive 6-day training session required of those wishing to return during the camping sessions. CIT's refresh horsemanship skills and demonstrate their leadership abilities during their week at camp. After demonstrating willingness, follow-through and working well with others, an evaluation of each candidate will be done preceding camp session assignments. Participation in this training does not assure you of a CIT position, but assisting in our kitchen will also be an option. A Camp t-shirt, properly equipped fanny packs or saddlebags are required for those working in a CIT role. There is a separate brochure and application for the CIT Program available on the website at www.campwahoo.com found in the camp registration section.

It is recommended that CIT candidates participate in our Adventurer Program. The Adventurer Program will enhance your child's ability to be successful in our leadership program. There are discounts for returning leadership and Participating in Adventurers. *A wonderful opportunity!*

CIT/Junior Staff (use Leadership Application!). **$750**

***NOTE* – A SPECIAL CIT & Jr. Staff APPLICATION is AVAILABLE in the registration area of the website.**
All CIT'S must obtain Food Handlers card before training session as outdoor cooking is part of our program.

Because the mountain and backcountry riding environment is so different from the usual riding conditions experienced by most younger riders, occasionally a child signed up in the Wrangler or Adventurer programs may opt for a less challenging Wahoo Program. There are also occasions when the staff determines that either a child's riding skills, stamina, or health or equipment are not ready for the extended challenges involved with the trips Wranglers or Adventurers take. When this happens, we do our best to make the alternative as close to the original choice as child, equipment and staff can possibly produce. Thank you for taking the time to give this information about your child. Remember, if you have questions, please call or E-MAIL!

TELL US ABOUT YOUR WAHOO CAMPER

Here are the things we need to know about your child and your child's needs, so we can make well-informed choices about tent placement and staff assignments. It will also help us provide each camper with a successful and satisfying camp experience. In the horse/mountain environment there is a greater need for attention to individual differences in planning, preparation and in everyday camp life in order to manage and reduce, as far as humanly possible, the risks inherent in any active sport. Because we can't just pick up a telephone to call and ask you for additional information concerning your child, we ask you to answer these questions carefully. - **LEARNING & DOING STYLE:**

  Reflective Learners/participators are people who like and need lots of time to watch and ponder something before they are ready to try it. They do much of their learning & a lot of their practicing in their heads before they are ready to try it physically. Their approach to learning new skills for example is "watch watch ponder ponder do..." If you have one of these, you will probably know it.
  Impatient Learners/participants are people who like to try it right away – sometimes even before they know exactly what it is! Their preference in acquiring new skills or doing things is "See DO!" or "think of it DO IT!" Usually with great energy!! If you have one of these - you will undoubtedly know it too.
  Some of us are **"Somewhere in the middle"** If you are not sure where to place the "X", your child is probably very close to the middle of this continuum.
  IS THIS WAHOO CAMPER: ☐ REFLECTIVE. . . . . ☐ SOMEWHERE IN THE MIDDLE . . . . . ☐ IMPATIENT

- In general, when your child encounters new or unfamiliar things, does your child; ☐ Move right in for a closer look comfortable & ready to engage: ☐ Like some time to look things over before they are ready to try it, taste it or talk to it? ☐ Need some real support when they are required to deal with the new, unusual and the unexpected?

- How does this camper feel about meeting new people? ☐ Do they have an easy time meeting new people or, ☐ Do they need some time and would perhaps appreciate some help in getting acquainted or, ☐ Are they somewhere in the middle?

- Does this camper "shift gears" and move from one activity to another ☐ Readily & with ease, ☐ Prefer some warning and a little time to disengage from the current activity before moving on.

- Some individuals ☐ Need and can use a lot of excitement while for others ☐ Just a little excitement is "just right" and more is far too much. Most of us are ☐Somewhere in the middle. Where is this camper on this continuum?

- Would you describe your child's approach to active sports (riding specifically) as

  ☐ Aggressive ☐ Moderate ☐ Cautious ☐ Other

- Is this a child who gets feelings hurt ☐ easily . . . . .. ☐ somewhere in-between . . . ☐ pretty thick skinned

- Is this camper ☐ cooperative . . . . . ☐ somewhere in the middle . . . . . ☐ competitive

- When coming off an intense activity (school, sports activity, best friend's birthday party, 4-hour trail ride etc.) does this kid unwind and recharge best by:
  ☐ Going off by self for quiet time (read, draw, play quiet game by self etc.) or
  ☐ Insists on (wants and needs to) to tell you *ALL* about it before they are ready to go on to anything else?
  ☐ Other? Please describe:

_____

- Does this kid work best in a ☐ Social-Cooperative or more ☐ Traditionally structured relationship with staff?

- Does this child sometimes have ☐difficulty following directions or ☐ listening long enough to get the directions to follow? If so, what in your experience works best to help them focus?
