

# CAMP WAHOO! - 2024 PROGRAM & REGISTRATION INFORMATION!!

## BRONC RIDERS - 8-11 Years TOP HANDS - 12 Years & up

---

Campers are introduced to horsemanship with their own horse to care for and ride the entire week. They learn to handle, groom, saddle, and control their horse while participating in trail rides in the Wenatchee National Forest. Outdoor camping/survival skills are developed and all of this is put to use on an overnight trail ride. Valuable leadership skills are also introduced to the TOP HANDS. These **BASIC CAMPS** are required to develop skills necessary to be successful as WRANGLERS & ADVENTURERS

BRONCS/TOP HANDS. . . . . \$1550

## WRANGLERS - 13 & up

---

The WRANGLER camp offers campers their own horse for the week and introduces them to leading the mules, cooking over campfires, and building survival kits. All of these skills are required for the 2-night overnight trail ride into the National Forest. Leadership skills and independence are stressed. It is necessary to be properly equipped to participate in the 2-night overnight trail ride. Campers must have successfully completed the TOP HANDS program to gain the skills necessary to participate as a Wrangler. Prepares campers for the Adventurers and Leadership Program.

WRANGLERS. . . . . \$1750

## ADVENTURERS - 14 & up

---

**First Time Adventurer - Must have completed Wrangler**  
**Highly Recommended for Wranglers, CIT's and Jr. Staff looking to advance in the Leadership & Staff Program**

The ADVENTURER camp prepares your camper to go on to the popular CIT program. ADVENTURERS prepare and plan for their 3 1/2 day pack trip where they use maps and compasses, build survival kits, cook with dutch ovens, pack and lead the mule string and practice "minimum impact" camping. Campers must have completed WRANGLER camp or be participating as a CIT or Jr. Staff. First time Adventurers will work out of a backcountry camp allowing them time to further develop their back country skills under the careful guidance of our experienced staff. Returning Adventurers will plan their back country adventure to fit the experience level of that group & will assume more personal responsibility toward the success of their back country adventure. **FOR SAFETY PURPOSES: ADVENTURERS must be properly equipped or they will not be able to participate in the pack trip.**

Adventurers. . . . . \$1850

## COUNSELOR IN TRAINING - 13 & up

---

The Counselor in Training (CIT) camp is an intensive 6-day training session required of those wishing to return during the camping sessions as a counselor. CIT's refresh horsemanship skills and demonstrate their leadership abilities during their week at camp. After demonstrating willingness, follow-through and working well with others, an evaluation of each candidate will be done preceding camp session assignments. Participation in this training does not assure you of a CIT position but assisting in our kitchen will also be an option. A Camp t-shirt, properly equipped fanny packs or saddlebags are required for those working in a CIT role. There is a separate application for the CIT Program is available on the website at [www.campwahoo.com](http://www.campwahoo.com) in the camp registration section. Candidates must have completed Wranglers or signed up for Wranglers during the season.

It is recommended that CIT candidates participate in our Adventurer Program. The Adventurer Program will enhance your child's ability to be successful in our leadership program. There are discounts for returning leadership and Participating in Adventurers. *A wonderful opportunity!*

CIT/Junior Staff (use Leadership Application!). . . . . \$800

**NOTE - A SPECIAL CIT & Jr. Staff APPLICATION is AVAILABLE in the registration area of the website. All CIT'S must obtain Food Handlers card before training session as outdoor cooking is part of our program.**

Because the mountain and backcountry riding environment is so different from the usual riding conditions experienced by most younger riders, occasionally a child signed up in the Wrangler or Adventurer programs may opt for a less challenging Wahoo Program. There are also occasions when the staff determines that either a child's riding skills, stamina, or health or equipment are not ready for the extended challenges involved with the trips Wranglers or Adventurers take. When this happens, we do our best to make the alternative as close to the original choice as child, equipment and staff can possibly produce. Thank you for taking the time to give this information about your child. Remember, if you have questions, please E-MAIL us at mike@campwahoo.com!

Because we can't just pick up a telephone to call and ask you for additional information concerning your child, we ask you to answer these questions carefully. ● **LEARNING & DOING STYLE:**

**Reflective Learners**/participants are people who like and need lots of time to watch and ponder something before they are ready to try it. They do much of their learning & a lot of their practicing in their heads before they are ready to try it physically. Their approach to learning new skills for example is “watch ponder do...” If you have one of these, you will probably know it.

**Impatient Learners**/participants are people who like to try it right away – sometimes even before they know exactly what it is! Their preference in acquiring new skills or doing things is “See DO!” or “think of it DO IT!” Usually with great energy!! If you have one of these - you will undoubtedly know it too.

Some of us are “**Somewhere in the middle**” If you are not sure where to place the “X”, your child is probably very close to the middle of this continuum.

**IS THIS WAHOO CAMPER:**  REFLECTIVE . . . . .  SOMEWHERE IN THE MIDDLE . . . . .  IMPATIENT

- In general, when your child encounters new or unfamiliar things, does your child;  Move right in for a closer look comfortable & ready to engage:  Like some time to look things over before they are ready to try it, taste it or talk to it?  Need some real support when they are required to deal with the new, unusual and the unexpected?
- How does this camper feel about meeting new people?  Do they have an easy time meeting new people or,  Do they need some time and would perhaps appreciate some help in getting acquainted or,  Are they somewhere in the middle?
- Does this camper “shift gears” and move from one activity to another  Readily & with ease,  Prefer some warning and a little time to disengage from the current activity before moving on.
- Some individuals  Need and can use a lot of excitement while for others  Just a little excitement is “just right” and more is far too much. Most of us are  Somewhere in the middle. Where is this camper on this continuum?
- Would you describe your child’s approach to active sports (riding specifically) as  
 Aggressive  Moderate  Cautious  Other
- Is this a child who gets feelings hurt  easily . . . . .  somewhere in-between . . . . .  pretty thick skinned
- Is this camper  cooperative . . . . .  somewhere in the middle . . . . .  competitive

- When coming off an intense activity (school, sports activity, best friend's birthday party, 4-hour trail ride etc.) does this kid unwind and recharge best by:
  - Going off by self for quiet time (read, draw, play quiet game by self etc.) or
  - Insists on (wants and needs to) to tell you *ALL* about it before they are ready to go on to anything else?
  - Other? Please describe:

- 
- Does this kid work best in a  Social-Cooperative or more  Traditionally structured relationship with staff?
  - Does this child sometimes have  difficulty following directions or  listening long enough to get the directions to follow? If so, what in your experience works best to help them focus?

---

---

---

- How does your child feel about learning new skills?
  - very cautious    a little cautious    confident    very confident

- Is this camper a night owl or an early bird?
  - Do they fall asleep as soon as their head hits the pillow? or
  - Do they need a longer time to unwind before they are ready to drift off?
  - Does this Camper have difficulties letting go the day and it's exciting activities? If so, do you have any magic that will help us get them settled and off to sleep?

---

---

- Do you or your child have any concerns or anxieties about this camp experience?

---

---

- Do you have any other insights you can share with us about your child that will help us make Camp Wahoo a grand experience for your child?

---

---

**If your child has any special needs**, for safety and dignity it is important to let us know in advance. That way we can plan for and support your child in managing those needs - and make sure they don't get in the way of a fun and satisfying Camp Wahoo experience. All information you share with us about your child will be held in strict confidence and shared with staff members on a need to know basis.
